Notes

GOVERNMENT OF MYSORE

REVENUE.

PROCEEDINGS.

Dated 10th July 1890.

No. 3442-50.
Cir. 60.

Declining to empower Deputy Commissioners to allot for cultivation lands for free pasturage without the permission of Government.

*Lands for Cardamom
&
Coffee Cultivation*

(2) (6)

*Proceedings of the Government of His Highness the Maharaja of Mysore,
(Revenue),—dated 10th July 1890.*

READ:—

From the Superintendent, Mysore Revenue Survey, To the Chief Secretary to the Government of Mysore, No. 119, dated 2nd June 1890.

I have the honor to bring to notice that the strict enforcement of Section 39 of the Mysore Land Revenue Code in so far as it provides that lands set apart for the free pasturage of the village cattle shall not be otherwise appropriated or assigned *without the sanction of Government* is likely to be productive of much inconvenience.

Applications for the whole or for portions of Survey numbers, constituting lands set apart for free pasturage, are exceedingly numerous and have hitherto been promptly disposed of by the Deputy Commissioners after reference to the Survey Superintendent as regards the assessment to be imposed.

2. Section 4 of the Land Revenue Code provides for Government conferring upon the Revenue Commissioner or other officer above the rank of Deputy Commissioner the necessary powers (see Schedule 1, Section 39). I presume that, as the matter is urgent, and there is absolutely no necessity for Government being burdened with the details of applications of the kind in question, the necessary power could be conferred upon Deputy Commissioners. I submit the question however for consideration, as the Mysore Land Revenue Code does not specifically provide for the difficulty I have brought to notice.

No. 3442-50.—CIR. 60, DATED 10TH JULY 1890.

ORDER THEREON.—The Government are not disposed to empower the Deputy Commissioners to allot for cultivation lands assigned for free pasturage without reference to Government. There is plenty of land other than that assigned for free pasturage available for cultivation and the Government do not think it proper to diminish the free pasturage and give it for cultivation unless there is absolute necessity for the same.

T. ANANDA RAO,
Chief Secretary.

To—The Superintendent, Revenue Survey.
The Deputy Commissioners of Districts.

Memorandum

Deputy Commr No 360 92/10/90, submitting a Darkhast from one Ray Range Gowda for a portion of Survey No 22 in the Timlapur village, Hassan Taluk.

2 No 361 92/10/90, submitting a Darkhast from Mr Brooke Hockett for a portion of Survey No 57 in the Galagalale village, Manyerabad Taluk.

3 No 362 92/10/90 submitting a Darkhast from one Subbe Gowda for a portion of Survey No 54 in the Mattoon village, Manyerabad Taluk.

4 No 363 92/10/90, submitting a Darkhast from one Putte Gowda for a portion of Survey No 28 in the Anigalale village, Manyerabad Taluk.

5 No 364 92/10/90, submitting a Darkhast from one Basava Gowda for a portion of Survey No 42 in the Maragavi village, Manyerabad Taluk.

In pursuance of the orders contained in Govt proceedings No

3442-50 910/7/90, the Deputy Commr, Hassan District, has submitted for orders the marginally noted

5 Darkhasts for lands for Coffee cultivation in the Hassan and Manyerabad Taluks.

2 The records submitted by the Deputy Commr in connection with the 360, Nanjappa first Darkhast show that one Range Gowda applied for 10 acres of land for Coffee cultivation out of Survey No 22 (Gomal land measuring 297 acres) in the Timlapur village of the Hassan Taluk, on 22nd August 1883. As, at this time, it was under contemplation that certain gungly tracts should be transferred to the Forest Department, the Darkhast for the above land was not disposed of pending the final settlement of the question. After the tracts which had to be transferred

to the Forest department were
marked ^{out} off & the land in question
was excluded therefrom, the
villagers were asked to state whether
they had any objection to the land
^{given} being out for cultivation. They
having deposed in the negative on
the 31st October 1888, and the applicant
having deposited Rs. 25 (being $\frac{1}{4}$ of
the upset price for the area applied
for) the District Surveyor was directed
to measure the land suited for Coffee
cultivation & subdivide the same
into a separate ho. Accordingly
the land was subdivided ^{into survey No 60} & was
found to measure 12 acres & 22
guntas. The 25 per cent of the
upset price on the excess area
viz 2 acres & 22 guntas, was also
recovered from the applicant & the
matter reported to the Dy. Commr for
orders. The Deputy Commr having
ordered the sale of the land, it was
sold by public auction on 16/9/90.
The highest bid offered by one
Adiraj'setty was Rs. 140 & the $\frac{1}{4}$
of the purchase money was deposited
on the date of sale & the balance

* The Thekedar states that
it is not easy to count the
No of trees standing on this land.

mal land measuring 59 acres & 27 guntas.

was also paid on the 20th Idem.
As the land in question forms part of pasture land, the Dy. Commr. has submitted the papers for orders, &
3 The 2^d darkhast submitted for orders is from Mr Brooke Hooker (Coffee planter). He applied for pasture land, survey no 57 measuring 2 acres & 36 guntas, situated in the Gulagalale village in the Manyirabad Taluk & deposits Rs. 7-8- being $\frac{1}{4}$ of the upset price for 3 acres. The darkhast being referred to the Thekedar for report, he states that the villagers had no objection to the land being given out for cultivation & that, as the land contained numerous trees & Bamboos &c, it was not feasible to count them. The Amildar having reported the matter to the Dy. Commr, the latter Officer has referred the case to this Office for orders. Says that there is no objection to the grant -
4 The 3^d application submitted by the Dy. Commr, is from one Gubbe Gowda of Hosahalli in the Manyirabad Taluk. He applied for 5 acres of land out of survey no 58

for coffee cultivation. On inspection of the land, the Thekdar found that $2\frac{1}{2}$ acres of the said land were best suited for coffee cultivation & the applicant wished to take up this portion only. The Amildar, thinking that it was undesirable to grant only a small portion, sent for the applicant & questioned him whether he was willing to take up the adjoining portion also (in all 5 acres or upwards). He having agreed to do so & the villagers having acquiesced in the grant of the land to the applicant, the usual deposit amount of Rs. 12-8- was recovered from him & the matter reported to the Dy. Commr, who has forwarded the papers to this Office for orders. & says there is no objection to the grant.

5 The ³⁶³fourth Darkhast was from one Pattegowda of Anagalala village of the Manyarabadi Taluk, for 2 acres of land out of Turney ho 28 (Gomal measuring 315 acres) and deposited Rs. 5. The Thekdar to whom the Darkhast was referred for report, found that out of the said Turney ho, 3 acres & 11 guntas were

② The Thekdar states that there are 6 ~~cr~~ trees, 2 Tamarind, 1 jack & 42 Bamboo trees besides other jungle trees which cannot be counted. There is a ruined tank to the east of the land & it is not included in the measurement.

The Thekdar says that I have known the rules regarding minimum area for coffee plantations.

Sanctioned into the one mark -
10/11/90

+ The Darkhast has been once been repeated as being fulfilled below the minimum area - 10/11/11

* The land is stated to contain 74 trees of 2 sorts & 4 sandal tree

I marked with the
 boundary & subject to the
 condition that the measured

 it will be observed.
 to 5 by order of the
 some on representation
 made at Dargah
 29/10/88
 16/11

were fit for coffee cultivation.
 The applicant also agreed to take
 up this whole portion & the villagers
 also had no objection to the grant
 of the same. In reporting this fact
 to the Dy. Commr, the Amils are stated
 that there were 401 acres of
 homal land in the village for
 247 head of cattle. The Dy. Commr

has submitted the papers for orders.
 6 The last ³⁶⁴ sarkhast was from
 one Basavegowda of Maragadi
 village in the Hanjirabad Taluk,
 for 4 acres of land (called Gram Ganga)
 out of survey no 42 measuring 467
 acres, for Cardamom cultivation.

The Thekedar, on inspecting the land,
 found that 5 acres & 30 guntas were
 fit for cultivation & the applicant
 deposited Rs. 14-6- as per rules. The
 total extent of homal land in the
 village is stated to be 877 acres &
 the no of cattle is shown as 223. This
 being reported to the Dy. Commr, he
 observed that if there were any more
 land fit for cultivation, it was
 not desirable to make a small

portion of the land a separate D
 The district Surveyor was, therefore,
 asked to measure the land suitable
 for cultivation & the total extent of such land being
~~found available~~ was 8 acres & 5
 guntas, & the ~~land~~ ^{same} was put up
 to auction & the Darkhastoe himself
 offered the highest bid of Rs. 10 per
 acre & the purchase money, minus
 the amount deposited already, was
 also recovered from him. The Dy
 Commr has submitted the papers for
 orders. & has no objection -

7. In all the above 5 cases, the Dy
 Commr states that there is no objection
 to the grant of the lands applied for
 . Submitted for orders.

AD
20/10 AD All the appli-
 cations are for
 portions of free pasture
 lands. In submitting
 such applications for
 orders it would be well
 if the Dy Commr's mentioned
 invariably whether there
 is no other land available
 for the proposed coffee &
 cultivation.

AD

Sanctd - No Dept
 will do well to consult
 the Surveyor in this
 case as to the propriety
 of the purchase money
 who whole had been
 made -

Letters Nos ⁵⁴⁷ 360, 361, 362 ✓

¹⁰ 363 and ¹¹ 364 of the 2nd

October 1890 from the

Deputy Commissioner of
the Hassan District.

DIV
1356

No. 9738-9 dated 1-12-90. Order thereon. —
281

With reference to
the orders contained
in Government Proceedings
No. 3442-50 of the 10th
Cir 60
July 1890, the Deputy
Commissioner submits
for sanction certain fine
applications for forest
lands for ^{& cardamom} Coffee Cultivation
in the Hassan and

Munjerabad Taluqs & States
that there is no objection to the grant of
these lands for cultivation.

2. The first application
is on behalf of Adiraj Setty

for 12 acres and 22
funtas of Gomal land
out of Survey No 22 of the
Teimmalapur Village in
the Hassan Taluk, purchased
by him in the Government
auction for Rs 140/- and
is hereby sanctioned.

3. The 2nd application
~~is~~ from Mr. Brooke Mockett
for 2 acres and 36 funtas
of Gomal land ~~out of~~ Survey
No 57 of the Gulagalale
Village in the Mungurabad
Taluk is also sanctioned,
~~and~~ as $\frac{1}{4}$ th of the upset
price has already been
paid by him.

4. The 3rd Application
from Subbegoonda for
5 acres of land out of
Survey Gomal ~~land~~
No 54 of the Mattoor Village

in the Mungjerabad
Taluk is sanctioned
with the remark that
the Shikdar who re-
-commended the grant
of $2\frac{1}{2}$ acres of land out
of this number, ought
to have known the
rules regarding minimum
area for Coffee Grants.
better.

5. The 4th application
from Puttegowda of
Siddapur for 2 acres
of land out of Survey
No. 28 in the Arigabale
Village of the Mungjerabad
Taluk is also sanctioned,
with the remark and
subject to the condition
that the prescribed
minimum area for
grants for Coffee out

of large Survey numbers
should be observed.

The minimum area which
is at present 10 acres
will soon be reduced
to 5 acres by orders which
will issue on representations
made at the Dassera
Representative Assembly.

No 32

6. The 5th Application
from Margadi Basare
Jorda for 8 acres & 5 funtas
of Gomal land out of
Survey No ~~34~~ 42 of the
Margadi Village in the
Munjababad Taluk for
Cardamom Cultivation
is sanctioned. The Deputy
Commissioner will do
well to consult the Survey
Superintendent in this
case as to the sufficiency
of the principles on
which.

which photo has been
made.

For Chief Secty.
